

Culture Campus Turku – leading the way!

VISION

In 2025 Culture Campus Turku will be a nationally and internationally known multidisciplinary expertise and innovation cluster of the culture sector.

MISSION

Culture Campus Turku brings together an interactive and dynamic network of actors of the culture field in the Turku region and strengthens their strategic co-operation to develop a European city of culture.

Operating principles: Culture Campus Turku is multilingual, multicultural, multidisciplinary, and international.

Strategic goals

- Culture Campus Turku brings together expertise and renews the forms of activities to enhance the cultural vitality of the Turku region.
- Culture Campus Turku develops its supply of education and improves its accessibility, promotes research activities, strengthens business operations in the culture field, and creates jobs in the field.
- To reach its goals Culture Campus Turku is divided into four theme groups:
